Employers who sponsor a table are recognized in the evening's program, on the MNCPA website and in the Footnote magazine. To sponsor a table(s), employers must reserve a table of 8 or a table of 10. Table sponsors do not need to fill every seat at the table(s) they reserve.

Employers who do not want to sponsor a table can make a group reservation instead. For group reservations, attendees are \$85 per person. Everyone belonging to a group reservation will sit together, but the employer will not be recognized in the evening's program, on the MNCPA website or in the Footnote magazine, and other attendees will be seated at the table.
